When you come to CSL Bellingham, you may hear people refer to “our spiritual community”—a lot! That’s because we are committed to creating a community of true spiritual support and kindness. We know that when people receive tools for spiritual living, they can do more for others and help create a world that works for everyone.

Meet Our Senior Minister

REV. ABIGAIL SCHAIRER

Whether you arrived through curiosity, intuition, or a friendly invitation, something within you said “yes” to being here today, and I’m grateful you listened.

Welcome to your spiritual home.

A photograph of Rev. Abigail Schairer at a church service. She is standing behind a wooden pulpit, gesturing with her right hand. The pulpit is decorated with a small Christmas tree and a wreath. In the background, there are two framed pictures on the wall. The foreground shows the backs of the heads of a congregation seated in pews.

What We Believe

We believe the universe is spiritual in nature and expresses intelligence, beauty, creativity, and order. Our teachings are in harmony with many of the world's great wisdom traditions.

Whether we call it God, Goddess, Spirit, Universal Intelligence, Divine Presence, or the Quantum Field, we recognize one sacred Presence expressing in, through, and as all life.

What is Science of Mind?

Science of Mind®, also known as Religious Science, is the foundational philosophy of Centers for Spiritual Living. It teaches the unity and interconnectedness of all life and explores how consciousness, belief, and intention shape human experience.

Drawing from ancient wisdom, modern spirituality, philosophy, and psychology, Science of Mind encourages practical spiritual living rooted in compassion, creativity, and personal transformation.

About Us

At Center for Spiritual Living Bellingham, we explore principles that help us live more joyfully, love more deeply, and remember who we truly are: unique expressions of One Infinite Life.

Together, we practice New Thought, Ancient Wisdom, and Science of Mind teachings in ways that are practical, compassionate, and life-giving.

We laugh together, learn together, grow together, and support one another along the journey.
